

5-Half-Day Graphic Design Camp with Canva/Adobe Photoshop (for ages 7+)

Our campers will learn photo-editing and design skills using platforms used by designers around the world. They will be introduced to basic design principles, colour modes, and printing standards while exploring different graphic works.

In Camp 1: Introduction to Canva

- Learn how to crop, add effects, and work with layers
- Fun, beginner-friendly activities
- Perfect for children new to using computer devices.
- Introduce basic laptop use to navigate the tools

In Camp 2: Introduction to Photoshop

- Build on the skills from Camp 1/prior knowledge of Canva
- Explore advanced tools like the brush, mask, and effects adjustments
- Deepens their understanding of design principles

At the end of both camps, each camper will complete a project and take home the printed copy on a LEGO Brick Portrait. (Please note that their Brick Portrait may or may not contain photos of the camper.)
